DWARKA EXPRESS IMPACT, THANKS ADRF

EIGHT NEELGAAY RESCUED FROM BHARAT VANDNA PARK, SAVE NEELGAAY: PART 4

After complaints lodged by social activist & senior vice president ADRF Robin Sharma and news reports by Dwarka Express Delhi Forest Department rescued eight neelgaays from Bharat Vandna Park and relocated the state animal of Delhi to sanctuary near Bhati mines.

Ajit Swami President ADRF appreciated the news report of Dwarka Express & daring step taken by Robin Sharma to rescue Neelgaays kept under captivity due to negligence & criminal intent of NBCC & DDA officials .Ajit said NBCC & DDA officials did not inform the forest & wildlife department. The matter came to light when a calf of neelgaay met with accident and social activists of Dwarka tried to rescue it but unfortunately the calf died After this incident the activists informed PK Gupta CMD NBCC & VC DDA but none of the official took appropriate action to relocate the animals .

Robin Sharma thanked Delhi Forest Department for rescuing the animals from Bharat Vandna Park and demanded FIR under relevant sections of Wildlife Protection Act against the NBCC, DDA officials and agency. Gomti Mattu social activist & resident of sector 19 said as the animals were rescued from Bharat Vandna Park, the site in possession of NBCC & DDA so

Ajit Swami

Pawan Singh
Gen Sec ADRF

a criminal case must be registered against them and also against the con-

tractor as they are responsible for death of Neelagaays and other animals and felling of tress on more than 100 acres of land.

Pawan Singh Gen Sect ADRF said the govt agencies must follow the law but if they are not doing so then the officials must be booked and put behind the bars. Pawan said during inauguration of Bharat Vandna Park Hon'ble Amit Shah ,Home Minister of India had said that the NBCC & DDA will take appropriate measures to protect the neelgaays and other animals and the area will be developed as ecoforest but due to unknown reasons the NBCC & DDA didnt follow the directions of HM and forced animals to die in national capital. Dwarka Express will continue with its campaign to safeguard wild life .

Paid Parking in Sector 6 Market Dwarka continues for all the wrong reasons

The paid parking in sector 6 market is continuing without following SOP and guidelines by South Delhi Municipal Corporation. Speaking to Dwarka Express Sanjiv Arora a shopkeeper and active member of MWA said. The RP Cell SDMC had started paid parking in feb 2021 and after one year the parking contractor has not marked yellow line for convenience of commuters. The registration number, GST number and address of site is not mentioned on monthly pass.

Ajit Swami said this is loot by the contractor because the agency is charging full amount without following the agreement and is not depositing the requisite amount as per tender to RP Cell SDMC .Robin Sharma social activist said the DDA must cancel the agreement with SDMC and must take over the posses-

sion as the SDMC had violated the norms of handing over and taking over.

Robin Sharma said Its election time and the elected representatives will have to reply why did they allow the parking contractor to charge money

from residents of Dwarka and adjoining area without following the rules. Robin said due to corruption politicians and officials have turned blind eye to sufferings of Dwarka residents.

Brahma CGH Society sec-7 Dwarka gets 1st prize for waste management

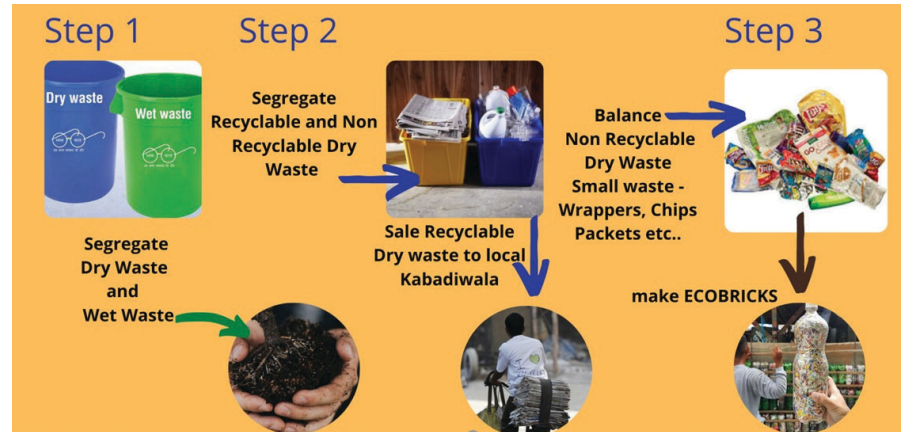

Brahma CGHS Sector 7 installed most modern waste segregation machine with the help of Bhawna Gaur MLA Palam.

Speaking to Dwarka Express Vinod Kumar President of Brahma Cghs said that "Honouring the commitment we all residents of society under the guidance of our president Mr Vinod Kr. Garg & Secretary Mr. Munish Kundra along with entire MC team, joined hands to achieve this most prestigious 1st prize award".

This was, after due appreciation, awarded to our team at a function or-

ganised in SDMC office Lajpat Nagar by respected Sh Radha Kishan Deputy Commissioner, Central Zone. We once again thank the MLA for her blessings & encouraging initiatives enabling us to win this award.

Vinod kumar said that in our this endeavour we would also like to thank Mr Madhukar Varshney the founder of 'Rise foundation' a NGO totally dedicated to this noble cause of green revolution in helping us regularly by training our cleaning staff besides conducting awareness seminars in our society.

Age Well Association organised a Monthly Meeting

Age Well Association organised a Monthly Meeting in which 31 members participated. A Medical Talk Show on ORTHOPAEDIC at Venkateshwar Hospital held on 12.02.2022. The future activities will be finalised depending on the situation prevailing from time to

time. Only International Women Day is planned on 8th March, 2022 in association with some Hospital in Dwarka. Once the DATE & VENUE is finalised, members would be intimated through Group's whatsapp. He also stressed that it is going to be a exclusive pro-

gramme for our ladies members as celebrated continuously for the last 4 years.

There was a 3 LUCKY DRAWS. Gifts were given to Sh.C B.Swami, Sh.Vijay Srivatsava & Wing Cdr.K.L Kapoor.

After the lunch, Birthdays & Marriage

Anniversaries of members falling in the month of December, 2021, January & February, 2022 were celebrated by cutting cake and presenting a flower bud.

Meeting ended with a vote of thanks by I M Khanna

Shiv Jayanti Mahotsav at Brahmakumaris Centre

After a span of almost two years life is gradually becoming normal. With an ebb in the Covid-19 cases and relaxations accorded by DDMA in a phased manner, people have started gathering to celebrate festivals and personal occasions within the framework of guidelines issued by the authorities.

As part of the on-going celebrations to mark the auspicious festival of Mahashivratri and 75th year of azadi ka Amrit Mahotsav, Prajapita Brahma Kumaris Ishwariya Vishwa Vidyalaya, Sector 12 Dwarka Centre is organising

a spiritual session on the 27th February 2022 (Sunday) from 3.30 P.M. onwards at 57, Dwarkadhish Apartments, Pocket 2, Sector 12, Dwarka, New Delhi-110078. Few prominent public persons and spiritual leaders of the Organisation will participate in the event.

The organisers have invited all residents of Dwarka sub city to participate in the event alongwith their families and friends, and benefit from the spiritual and lifestyle teachings derived directly from Shiromani Bhagvad Gita.

Iron Grills missing at SDMC Park Sec -12

The SDMC is unable to take care of the parks in Dwarka but is hell bend to allot milk booths in parks. The sorry state of affairs can be seen at SDMC park near Srihari CGHS & Sahayadri CGHS where the iron grills are missing. The residents have often complained to Director Horticulture and DC Najafgarh zone but till date no action was taken to install the iron grills

Know possible fallouts of the Russia-Ukraine conflict from expert

The escalating conflict between Russia and Ukraine has thrown the world on the tenterhooks. No one knows what will happen in the coming days. However, it is sure that the raging tussle between them may make things a bit tougher for the rest of the world also. In such a challenging situation, Prof Ummu Salma Bava, Professor and Jean Monnet Chair, Centre for European Studies, School of International Studies, Jawaharlal Nehru University, has tried to clear the clouds regarding all possible repercussions for the world including India, in an exclusive conversation with Anuradha Mishra.

1- Please explain to us the conflicts and causes of conflicts between Russia and Ukraine with some historical backgrounds.

Ans: The Conflict is embedded in historical and political developments over an extended period of time. In recent times after the collapse of the Soviet Union in 1991, Ukraine too became an independent country and had adopted neutrality as a policy. Subsequently, there was the enlargement of the EU and NATO to the east. For Moscow, this was not a problem initially and during the first 10 years when Putin was in office, this was not seen as destabilising. However, unlike EU enlargement, Russia/Putin has viewed NATO enlargement as expansionism and in the last 10 years, there has been a growing discontentment that NATO is coming into its sphere of influence and is also a security threat. In 2014 Russia annexed Crimea and the pro-Russian separatists in the eastern province of Donbas also declared independence. In 2017, an association agreement is signed between the EU and Ukraine which gives market access to Ukraine and allows movement of goods and visa-free travel to the EU. From spring 2021, Russia has been slowly building up troops on its border with Ukraine. In early Dec 2021, Biden warned Moscow against imposing economic sanctions if it invaded Ukraine. In mid-December, Moscow sought a legally binding agreement that NATO will give up military activity in Eastern Europe. A month back NATO forces were put on standby and diplomatic efforts were increased to ward off a Russian invasion that finally took place on 24 Feb 2022.

2- Why has Putin taken such a drastic step and what is there in his mind, when almost the entire world is clamouring for peace, especially after Covid has done irreparable damage to the entire world and we are still to come out of this crisis?

Ans: Putin believes that Ukraine and Russia are people with a common heritage and the break-up of the Soviet

Union was a disaster. Second, he wants a pro-Russia government in Belarus and Ukraine and does not want these countries to come under the influence of the West or join NATO and the EU. In part, he considers this as Russia's sphere of influence and the idea that Ukraine will be made a NATO member, was seen as a security threat.

3- Does Putin have the popular mandate of his country for this act and how the people in his country are reacting to his action?

Ans: Putin has been in office for around 20 years now and Russia does not have a democratic system rather an autocratic system. Dissent and opposition to the government and Putin is strictly monitored and independent news as western media channels state is not allowed to function in Russia. So the only news channel is the state channel, which presents only its version of the news. Although there are periodic elections, it has only endorsed Putin back to the office. According to Associated Press, Russian State TV presents Mosco as the saviour of Eastern Ukraine.

4- Is Russia ready to bear the brunt of the sanctions being imposed against it by major powers of the world including the US, EU and UN?

Ans: Russia is taking a calculated risk as the sanctions will impose a big cost on it. It is sitting flush of forex now, but

nothing can be said about the oncoming sanctions and the length of this war, so this will also have an impact on how long the country can sustain itself if it is locked out of the banking union and unable to undertake commercial activities.

5- What impacts will these sanctions have over Russia?

Ans: These sanctions can cripple the Russian economy, impact its ability to export and import and reduce the assets that it will need to sustain a war in Ukraine. It will also have domestic fallout in terms of supply-side shortages, which may be offset by China which is currently standing by Russia.

6- What is the hope for peace now when Russia appears to be recalcitrant to the pressures?

Ans: At this point, one has to wait and see what the objective of Putin regarding his plans for Ukraine is. Whether to slice up the country, replace the government or take another large parcel of territory, is not clear.

7- What will happen to the 30 lakh citizens of Ukraine living in Russia?

Ans: It all depends on where they are located and how integrated they are into the Russian system. At this point, it is risky for them to think of going to Ukraine.

8- What will happen to lakhs of

people from different countries including India living in Ukraine and Russia?

Ans: India will look to evacuate its citizens from Ukraine. A clearer picture will emerge in the next few days. One Air India flight brought back people from Ukraine, and another flight was returned as the air space in Ukraine has been closed. India will also see if citizens can be taken out by moving them to the western part of Ukraine.

9- Is this conflict between these two countries going to acquire a world war-like situation? How are other countries going to react to this?

Ans: The war will remain contained only to Ukraine, although there will be countries that will politically side with one or the other.

10- How will this war have an impact on India-Russia and then India-Ukraine relations?

Ans: India has to balance its relations with both countries. Russia is a strategic partner and provides 50 per cent of India's defence requirements and servicing of weapons. On the other hand, India imports 75 per cent of sunflower oil from Ukraine. However, Ukraine's envoy to India has asked PM to intervene.

Astronomy lab in Delhi International School Edge

Delhi International School Edge, Sector 18, Dwarka inaugurated "VYOM", the well equipped advanced and historic space lab, becoming the first school in Dwarka having an astronomy lab.

Dr Gauhar Raza, eminent scientist and media personality inaugurated the lab with Aryan Mishra, youngest Astronomer as guest of honour. The event was graced by eminent educationists Shri Y P Purang, Shri Bhagat

Singh and Shri Kashish Goyal. Children showcased the history of India's space journey and staged a play on making of Dr APJ Abdul Kalam. The reflections from the event and the addresses of Dr Raza and Aryan Mishra not only ignited the scientific temper but also emphasized the deeper quest of humans to be good individuals and spread the message of universal equality. Anubha Srivastava, Principal

DISEdge, anticipates that practical knowledge of space and astronomy will open new doors of scientific citizenship for children. We aim to establish newer frontiers of experiential learning in young generation. The parents lauded the efforts and enjoyed the practical demo of the lab. The school shall soon release a calendar of opening the doors of the lab to all parents and even to open public.

PAHAL PATHSHALA (A free school for less privileged children) reopened

PAHAL PATHSHALA (A free school for less privileged children), Pochanpur, Sector 23, Dwarka has been reopened.

To continue its mission to provide free education to its students the Pahal Pathshala team has reopened the school on February 21, 2022, informed the management. Amidst the pandemic, the students have lost out on various opportunities to grow and learn, but we wish to help them get back on track. It is a sincere appeal to all our friends to come forward and help collect funds for school expenses. The team desires to continue to support the children with free stationery, uniform, and mid-day meals. We request all who can contribute Rs.1000 or more towards the school funds. 80 G benefit available.

Residents oppose Construction of Amul Booth in parks by SDMC

The SDMC have allowed Amul Booth in park/green area. The residents across Dwarka are opposing the insane orders as the parks/green area can not be used for commercial purpose.

Ravi Jaitley noted social activist and resident of sector 7 said that the SDMC must withdraw the orders as it will decrease the green area.

According to Anurag the residents don't need such dairy as Amul products are available in abundance in local shopping centres and shops in societies. Anurag said this will create nuisance of loading and unloading of products during odd hours and the peace of park will be disturbed.

Ajit Swami President ADRF said what is the use of commercial markets if such types of shops are opened in parks. Ajit said we residents never demanded amul booths or any other kind of com-

mercial activity in park so why did SDMC allowed milk booths in parks?

Robin Sharma VP ,ADRF said SDMC is commercialising parks and parking in markets at behest

of corrupt officials and this will not be tolerated. Robin said if at all SDMC is so much concerned about availability of milk products for residents then it must distribute free of cost to Dwarkites as

we pay all type of taxes to govt and SDMC generate huge amount of house tax from us but never provide any facility to residents of Dwarka .
